RE: Request for Information Pursuant to
Section 104 of CERCLA and Section 3007
of RCRA for the Coakley Landfill Site
in North Hampton, New Hampshire

Gentlemen:

The undersigned, Richard R. Gourdeau, is herewith answering the requests outlined in your August 2, 1988 letter to Gourdeau Construction (Gourdeau), the respondent.

The United States Environmental Protection Agency (EPA) should be advised at the outset, that Gourdeau, a General Contractor, has managed one and only one project in the general vicinity of the Coakley Landfill Site in North Hampton, New Hampshire (The Site). That project began in 1972 and ended in 1973. The location of the project was the New England Telephone Building, Islington Street., Portsmouth, New Hampshire. It should be further noted that Gourdeau is based in and operates predominantly within the state of Massachusetts.

The above named project employed the following named personnel in a supervisory capacity:

-Richard R. Gourdeau, General Superintendent
-Jack Murphy, Field Superintendent
-Martin Dunn, Chief Estimator

These people were each consulted as to the preparation of answers relating to the generation/transporter information and disposal, treatment or transportation of materials to The Site.

Relating to paragraph 14 of your request, please be advised that the answer is an unequivocal no. Gourdeau never accepted materials (hazardous or non-hazardous) for transportation to The Site from any person.
